Nani personally autographs over 100 books for the Amazing Women's Conference

110 personally autographed books by **Nani Linder**, author of **Trial By Fire: A True Story Of Hope** just arrived to be included in the gift bags for all attendees of the **Amazing Women's Conference** in Hawaii on May 7, 2005!!!

WOW!!!

Nani's book presents a fascinating story of tragedy and triumph to **bring hope and encouragement to all women** - no matter what trials or difficulties they may be facing.

I'm just so amazed at how her Aloha spirit rings through everything that she does. Not only is Nani donating all of these books, and not only did Nani send these books to arrive priority mail, (3 big boxes sent by her) but **she took the time to write a personalized message in each book!**

No two alike as she trusts that the right message will be given to the person who needs that particular message. I'm sitting here wanting to read all of her personalized messages!!! How exciting.

She has just energized me to keep on going - with her generosity, her strength and her incredible spirit. (...miles to go before I sleep, miles to go before I sleep...)

In 1983, **Nani Linder** (born and raised in Hawaii) suffered an extreme allergic reaction to medication administered to her because of her exposure to TB. It irreparably altered the course of her life, damaging her nervous system and leaving her with autoimmune deficiency disorder, also known as "universal allergic syndrome."

Trial by Fire: A True Story Of Hope, by Nani Linder, is a riveting account of one person's struggles to overcome the odds. You will accompany the author on her journey and experience the incredible power of the human spirit.

Yet Nani chooses to live a passionate, committed and energized life by sharing her gift of hope with others.

She'll sure be inspiring at least 100 women this Saturday at the **Amazing Women's Conference** where women will be overwhelmed with the generosity of all those who have contributed to "make their day!"

What a perfect Mother's Day! Thanks Nani!!! Your gift is amazing - just as YOU are!
